Arlequin Collection

The ARLEQUIN collection is a small contribution to colorful moldings, easy to frame, in contemporary tones. Made of premium quality finger-jointed pine, the profile has been plastered, resulting in a range of 7 colors, plus the color white.

It should be noted that the upper part of the rebate has been adorned with a silver thread, giving a touch of elegance to the molding.

Its dimension of 15x22mm makes it very versatile, it is suitable for watercolors, drawings, photos and its white back allows mounting with other moldings. To add some color in these difficult times.
