

Da Vinci

M O L G R A C O L L E C T I O N

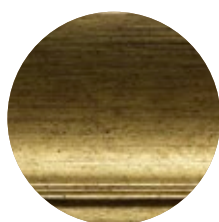

Da Vinci Collection

The Da Vinci Collection, made from a pinewood base, combines decorative films with metallic finishes and profiles defined by balanced, elegant lines. The interplay of gold, silver and black tones adds depth and a sophisticated presence, adapting naturally to both classic and contemporary compositions.

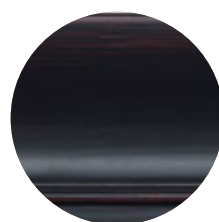

Inspired by the pursuit of proportion, harmony and beauty, Da Vinci brings together technical precision and aesthetic sensitivity in a refined and timeless collection.
