# Coliseo Collection

The Coliseo Collection is an expression of sophistication and character. Available in two distinct profiles and five metallic finishes: gold, bronze, silver, grey, and black, this collection offers a rich, timeless palette.

Each moulding, crafted from high-quality fir wood, has been designed to bring presence and depth to any frame.

Its bold yet elegant aesthetic makes Coliseo an ideal choice for enhancing artworks with strong visual impact — from contemporary pieces to classical works.
