Giotto Collection

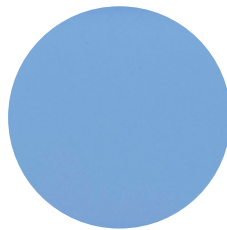

The Giotto Collection is a celebration of line and color. Clean, modern, and easy-to-match mouldings, designed to bring a fresh, contemporary touch to any framing.

Made from high-quality pine, each piece is crafted with a satin white base over which six soft, balanced colors are applied: green, pink, blue, ochre, ivory, and grey.

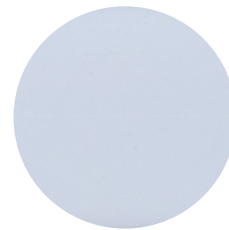

Its understated, ornament-free design makes Giotto a versatile choice, ideal for framing illustrations, photography, or graphic pieces. A collection created for those who seek elegance without excess and color without harshness.
