Granada Collection

GRANADA is one of our collections dedicated to mirrors and all those paintings that need a superb frame, with engraving. Our collection has four profiles: 77x42mm, in gold or silver, mounted on pine with finger of the best quality, 1420 of 44x30mm, with its marked flower engraving and 1132, of 48x22mm, of which we have made 2 versions: one with Delicate exterior engraving mounted on a patina and another with a more discreet concave engraving, with even two-tone tones. They exist in gold, silver and white. They combine with any type of work, even the most contemporary.
