M O L G R A C O L L E C T I O N

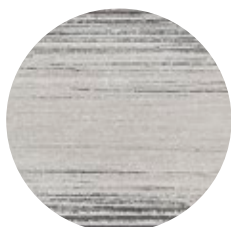

Pisa Collection

The PISA collection is born as the modern interpretation of the most classic and traditional decorations of our industry. Finely elaborated by hand by expert artisans, it gives any work a prestigious finish, elegance and tradition.

The slight inclination of the profile ends up adding to the finish all the reflections of the light so that these illuminate the frame and the artwork. A contemporary classic, an essential collection.
