Niagara Collection

The NIAGARA collection dives into the trend of minimalism, with elegance. These are moldings with modern lines and straight edge corners, made of the best finger-jointed pine.

The moldings have metallic finishes, with beautiful patinated reflections that imitate noble metals, such as gold, silver and platinum, to which we have added an intense and very precise black.

It fits perfectly with both classic and more contemporary artworks. NIAGARA is ideal for framing drawings, photographs, lithographs, paintings, etc. Suitable for both public showrooms, hotels and, for sure, homes.
