Magna Collection

The Magna Collection is a reliable choice for those artworks that desire to be framed with an elegant, highly prominent molding, featuring artisanal finishes that enhance the beauty of each piece. Crafted from finger pine, this collection evokes the grandeur and significance of the artworks it supports, providing a frame worthy of their artistic value.

This collection is not only an expression of quality and craftsmanship in molding production but also a commitment to the proper presentation of artworks, offering a frame that highlights their uniqueness and beauty. Each molding in this collection is a work of art in its own right, created to enhance and protect your masterpieces, leaving a lasting visual impact in any space where they are displayed.
