## ESPRESSO

A COFFEE BEVERAGE MADE FROM FINELY GROUND COFFEE BEANS

**MADE IN ITALY** 

Italian espresso coffee is a classic coffee drink that is an essential part of Italian culture and is enjoyed by millions of people around the world every day. It is a bold drink, with an intense aroma that lingers on the tongue, along with a slightly bitter finish. It is brewed for its smooth texture and strong and clear taste. The signature Italian espresso filter is due to the high quality Arabica coffee beans used, which are usually Italian-grown. The Italian espresso is traditionally served in a single 30 ml (ounce) cup that can be transformed into cappuccinos, lattes and other variations.
