Colección **Metal**

La Colección METAL es una mezcla de estilos industriales, que nos ha inspirado para crear el acabado efecto de chapa de metal troquelado.

Un juego de tonos metalizados, colores planos, relieves y brillos. Todos ellos sincronizados para conseguir un efecto auténtico. Las dos alturas de la superficie junto a los dos colores dan una sensación al tacto de reja real. Con múltiples combinaciones de color, brillo o diseño.

Presentamos estos acabados en dos perfiles perfectos para enseñar tanto textura como color: un perfil de 30x17mm y otro perfil de 60x17mm.
