Colección Vanguardia

La colección VANGUARDIA presenta unas molduras en blanco y negro para los trabajos diarios, desarrollada sobre una amplia gama de perfiles de madera de Obeche. El blanco y el negro mate han sido conseguidos mediante la aplicación, en nuestra fábrica, de un laminado de 200 micras en pvc fabricado en España. Con esta combinación de materiales de alta calidad conseguimos que trabajar con estas molduras sea una tarea muy fácil, ya que tanto el corte como el ensamblaje se hacen de forma rápida y precisa.
