## Bastidores pino finger

1782/000 38x20mm

1781/000 38x15mm

1780/000 38x10mm

Bastidores especialmente diseñados para colgar láminas de Dibond o de otros materiales, separadas de la pared.

Su forma de cuña consigue el ajuste total de las obras a la superficie del muro de forma fácil, aplicando varios posibles montajes.

## Bastidores pino finger

1787/000 40x20mm

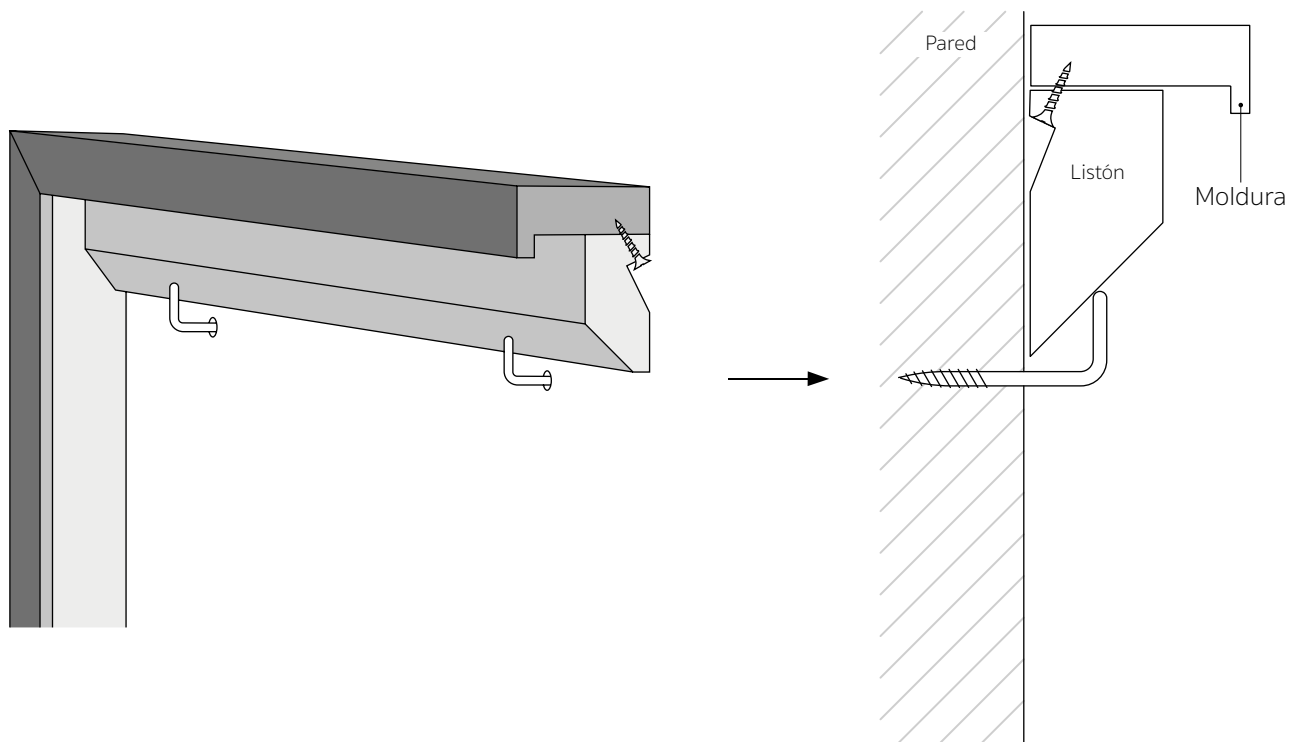

1786/000 30x14mm

Listón de pino finger, especialmente diseñado para colgar en la pared cualquier cuadro o bastidor con facilidad. La forma del perfil, con su canal interior inclinado permite atornillar, clavar o grapar el listón a la moldura por la parte trasera del cuadro, dándole así una mayor resistencia a las molduras estrechas por el lado que se cuelga.

Adjuntamos un fotomontaje en corte transversal, mostrando un ejemplo. Unido al cuadro, el listón con su bisel inferior pronunciado permite un encaje perfecto sobre las alcayatas o tornillos colocados en la pared, manteniendo el cuadro totalmente vertical, de esta manera podemos desplazar el cuadro a derechas o izquierdas según conveniencia, sin hacer agujeros nuevos. Se sirve en tiras individuales de aproximadamente 3 metros.
