# Colección Piano

La colección PIANO se refiere a las molduras de alto brillo, con una amplia serie de perfiles en Obeche (ayous tratado) de la mejor calidad, decorados con unos materiales de alta capacidad de recubrimiento: blanco y negro en PET, y plateado en PVC especialmente tratado. Resalta por su calidad: las molduras en blanco y negro reflejan la luz de la mejor manera, y el plateado intriga por su efecto espejo.

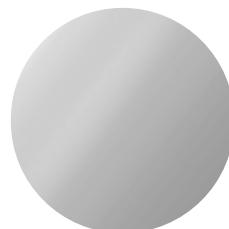

Los cantos son ligeramente redondeados, para aumentar los efectos con la luz y mejorar la calidad del recubrimiento. Las molduras se sirven con un film protector, que aconsejamos guardar hasta el montaje del cuadro, antes de quitarlo a mano. Una colección para lucir en el taller.
