Colección **Elise**

La colección ELISE presenta unos perfiles originales adaptados a los interiores contemporáneos. Combinan en un solo producto unas líneas rectas modernas con otras partes curvas que les confieren un toque clásico. Los oros y platas más brillantes son una buena imitación de los oros y platas finos bruñidos.

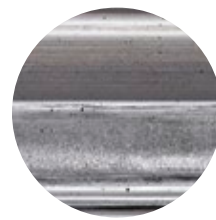

ELISE está hecha en pino finger recubierto con finas capas de trefila. Con la base de pátinas de colores y films se consiguen los distintos tonos y las rayas rojas, negras o blancas que le dan en general un efecto vintage muy utilizado en las decoraciones de hoy.
