Chene

Colección Chene

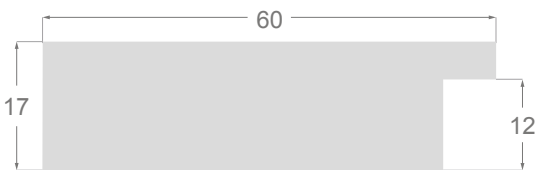

La Colección Chene nace de la inspiración en la naturaleza y la calidez atemporal del roble, dando lugar a una propuesta elegante, orgánica y versátil para todo tipo de enmarcaciones.

Su estética recoge la belleza del entorno forestal y la transforma en molduras con carácter, capaces de aportar profundidad, textura y una sensación de equilibrio visual a cualquier obra.

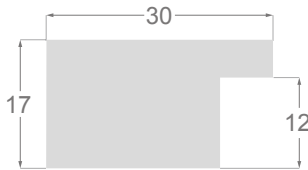

Fabricadas con materiales de calidad y pensadas para responder a las exigencias de la enmarcación contemporánea, las molduras Chene combinan una presencia natural con un acabado refinado, ideal para proyectos decorativos que buscan autenticidad y sofisticación.
