# Collection **Pisa**

La collection PISA est née comme l'interprétation moderne des décorations les plus classiques et traditionnelles de notre industrie. Finement élaboré à la main par des artisans experts, il donne à toute œuvre une finition prestigieuse, élégance et tradition.

La légère inclinaison du profil finit par ajouter à la finition tous les reflets de la lumière pour que ceux-ci éclairent le cadre et l'œuvre. Un classique contemporain, une collection incontournable.
