Collection **Vanguardia**

La collection VANGUARDIA présente des moulures en blanc et noir mats pour les travaux quotidiens, développés sur une large gamme de profils en bois d'obéché. Le blanc mat et le noir ont été obtenus en appliquant dans notre usine un laminé de 200 microns en pvc fabriqué en Espagne. Avec cette combinaison de matériaux de haute qualité, l'encadreur réalise un travail facile avec ces moulures, car la coupe et l'assemblage se font rapidement et avec précision.
