Collection **Elise**

La collection ELISE présente une série de profils originaux destinés aux intérieurs d'aujourd'hui. Ils réunissent des lignes extérieures modernes avec une partie courbée qui rappelle une influence classique. Les finitions dorées et argentées les plus brillantes sont une bonne imitation des effets obtenus par le brossage artisanal des métaux précieux.

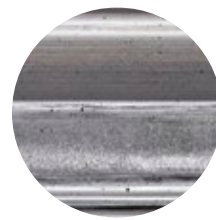

ELISE est faite en pin lamellé-abouté où le profil a reçu de fines sous-couches de gesso. Ensuite, grâce aux patines et films colorés, on obtient les différentes nuances et les fines rayures rouges, noires ou blanches, qui donnent à la moulure une touche vintage, très appréciée dans les décors d'aujourd'hui.
