

Iron

Collection **Iron**

La collection IRON fait un pas en avant dans le monde des moulures pour tableaux. Grâce à un travail spécifique sur nos peintures, nous avons trouvé le moyen d'appliquer la texture unique de l'acier, comme finition sur la moulure elle-même.

Vous sentirez au toucher la texture des grains fins, lisses et rouillés du métal, ce qui donne une impression étonnante.

Nous avons développé IRON dans une série de couleurs très contemporaines, toutes avec des effets métalliques: or, argent, noir et blanc. Vous trouverez aussi une large gamme de profils, courbés et modernes, à chants droits, sans oublier les caisses américaines.
