Chene

Collection **Chene**

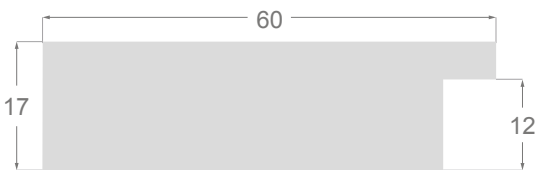

La collection Chêne naît de l'inspiration de la nature et de la chaleur intemporelle du chêne, donnant naissance à une proposition élégante, organique et polyvalente pour tous types d'encadrements.

Son esthétique puise dans la beauté de l'environnement forestier et la transforme en moulures de caractère, capables d'apporter profondeur, texture et une sensation d'équilibre visuel à toute œuvre.

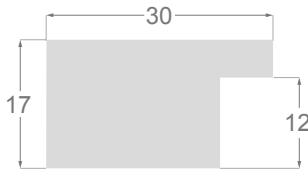

Fabriquées avec des matériaux de qualité et conçues pour répondre aux exigences de l'encadrement contemporain, les moulures Chêne allient une présence naturelle à une finition raffinée, idéales pour des projets décoratifs recherchant authenticité et sophistication.
